Business type – (please circle as appropriate)

Limited Company

Sole Trader

Partnership

PLC

Other (please state)

Credit is extended to your company provisionally upon agreement to the following terms:

1. You agree that Parcels To Freight's carriers will collect and move your shipment(s).
2. You agree to the terms and conditions of transit established by the carrier partner as expressed on their airway bill, consignment note, other carriage document(s) and/or published on their website.
3. You agree to pay for all shipments billed to you. You may claim for service failures and if accepted, the shipment will be adjusted as per the credit. All transportation invoices are to be paid for within 30 days of the Parcels To Freight invoice date. Late payments may result in additional charges. Invoices for Duty & Tax and ancillary charges are payable immediately upon receipt of invoice.
4. You will not offer dangerous goods for shipment without first notifying Parcels To Freight and obtaining their specific agreement to carry the consignment.
